different
occupations and
briefly discuss them.

- Explain the objective of the lesson: to improve listening skills related to job-related conversations.

Pre-listening Activity (5 minutes):

- Review vocabulary related to jobs and work.
- Introduce any new vocabulary terms that students may encounter during the listening activity.
- Engage students in a brief discussion about their dream jobs and why they are interested in those careers.

Listening Activity (10 minutes):

- Play the audio recording of job-related conversations from the Cambridge Global English Book 6.

- Encourage students to listen carefully and take notes on key information such as job titles, responsibilities, and requirements.
- Pause the recording at intervals to check comprehension and ask questions about what students have heard.
- Play the recording again if necessary.

Post-listening Activities (10 minutes):

- Distribute handouts with listening comprehension questions based on the audio recording.
- Allow students to work individually or in pairs to answer the questions.
- Review the answers as a class and address any misunderstandings or
